

Kalamunda Districts Hockey Club

May 2022

You can help us win from the sidelines.

We thank you for being such a passionate member of our Kalahockey community. Your passion keeps us fired up and your cheers from the sideline keep us going.

I am writing to you today because we need your help.

We need to raise money for new lights for our club's fields. This will provide us with more space for training, creating a safer environment for both our junior and senior members. With the assistance of funding from the City of Kalamunda and the CSRFF, we are looking to install at least 1 new light pole in 2023, Kalahockey are looking to raise \$120,000 over the next 3 years, this amount represents a third of the total lighting project valued at \$360,000, so we can go from:

This
(current lighting)

To This
(future lighting)

You can do more than just cheer from the sidelines, you can help us win from the sidelines.

By making a tax-deductible donation this tax season, you will help us take Kalamunda Districts Hockey Club to the next level.

Please make your tax-deductible donation before the 30th of June 2022 at the following link <https://asf.org.au/projects/kalamunda-districts-hockey-club-inc/>. Please note that donations of \$2 or more are tax-deductible and no amount is too small!

Your help is greatly appreciated and will assist the Kalamunda Districts Hockey Club to continue to thrive and grow.
